Make a Difference

In IRISH folklore, leprechauns are said to "make a difference" by guarding pots of SAFETY, which could be seen as a symbol of health and prosperity. Although catching one to access this treasure is considered nearly impossible due to their mischievous nature and agility; we've made that happen by catching two Leprechauns for today's CIF! These two represent the idea of SAFETY and RISK MANAGEMENT as keys to health and prosperity!

AN EVENING TO REMEMBER

FATHER DAUGHTER DANCE

Open to Military & Civilians

The Father-Daughter relationship is a powerful first exposure to self-esteem. It sets the scene for how girls feel they should be treated, making fathers critical to their daughter's early self-worth. The Father Daughter Dance is an opportunity for fathers to spend precious time with their daughters, strengthen the father-daughter bond, and create memories that last a lifetime.
