Fort Leonard Wood Home Page

Effective immediately, Department of Defense **Civilian Retiree Identification Cards** will no longer be issued. UDU Civilian Retirees must present and register an acceptable credential, such as a REAL ID Act-compliant driver's license, and their retirement Standard Form 50 at the Visitor Control Center to facilitate future visits to the installation. Previously issued DoD Civilian Retiree ID Cards will remain valid through Aug. 31, 2023, and will not be reissued.

Bridge Improvements over I-44 to affect Fort Leonard Wood traffic: A Missouri Department of Transportation construction project set to begin June 12 will close eastbound Exit 161 off Interstate 44, and affect northbound and southbound traffic across the Y Highway/Missouri Avenue bridges over the interstate. One lane will remain open in each direction on the bridges during the project, which is expected to take about four months.
