Payment and Guest Counts

Final payment is due 72 business hours prior to the scheduled event. Payments are accepted in cash, check, and major credit or debit cards. Purchase orders and unit funds are accepted with prior approval. Credit card must be put on file for balances that accumulate during the event, i.e. inventory bar, additional food/beverage purchases, and or cleaning fees. Any balances that change or are accumulated during the event must be paid on the first business day following the event. Late payments will result in a \$25 per day penalty that will be added to the final bill.

A guarantee of attendance must be specified 72 business hours prior to the function. The number shall constitute a guarantee not subject to reduction. The host is obligated to pay for the final number of guest/meals guaranteed on the contract or the number of meals served, whichever is greater. No refunds will be given for meals not served.

Pricing

A standard 18% service charge will be applied to the total sales of food and beverage for an event. The service charge is increased to 25% for offsite catering. Room fees will be waived when the cost of food and drink exceeds the room rental fee. Published pricing subject to change.

Setup

Reservations are blocked with a 2 hour setup time prior to the event. Should additional setup time be required, additional fees will apply. The Food & Beverage team cannot guarantee that the space will be available all day and or that there will not be other events taking place during the day of your event, unless it is contracted in advance.

If setup will take place outside of normal business hours, a \$50.00 labor fee per hour may be charged (if room is available). This fee will also be charged if an event exceeds the contracted end time.

Events that extend past midnight, will be charged \$100.00 per hour thereafter.

Due to higher operating costs, a \$100.00 premium will apply to all events held on Sundays to cover Sunday premium pay.

Decorations

Decorations are the responsibility of the host. To preserve our building we do not allow nailing, tacking, or taping of objects on the wall, ceiling, chandeliers or any other Center property.

Clean Up Fee

If trash, boxes or any food items are left in the room being rented, an additional \$50.00 clean up fee will be added onto the contract and will have to be paid within 24 business hours.

A \$100.00 cleaning fee will be incurred by the host if rice, bird seed, confetti, glitter, rose petals, food, etc., are thrown in or outside the facility. This fee will also be applied if the event guests soil the facility beyond normal wear and tear.

Rentals

Table linens are included with food and beverage purchases.

Table linens, napkins, stemware, cutlery, and more are available to rent. Pricing and availability will be provided upon request.

Ceremonial Cakes

If you choose to bring your own cake, a fee of \$70.00 per 150 guest will be applied to your event. This fee covers the plates, forks, napkins, and linen for the cake table. If desired, our team will be available and happy to cut and serve the cake for your event.

Property, Liability and Damages.

Family and MWR is not liable for any loss or damage to merchandise, equipment or articles left in our facility prior to, during or following any event.

The event Sponsor is responsible for any damage to the Family and MWR property.

Family and MWR Food and Beverage Policies

Outside food and beverages are not permitted in our Family and MWR facilities as described in Army Regulation 215-1, Chapter 8-24, (17). All food served at any event or function on premise must be purchased from the PCC and served by the staff, with the exceptions for wedding and military ceremonial cakes.

For the safety of all our guests, food and beverages must be consumed or disposed in the club. Leftovers cannot be removed from the Center per TB MED Regulation 530, page 3-8-d, Consumer Self-Service Operations, “customers will be prohibited from taking any Potentially Hazardous Food home from a buffet or other customer self-service operations.”

All minor guests under the age of 21 years old are prohibited from purchasing or consuming alcoholic beverages in our facilities. The responsibility for compliance rests solely with the host to assure that minors do not consume or “help themselves” to the available beverages either at the bar or on the self-service tables.

Per AR 215-1, no privately owned alcoholic beverages will be brought into any facility where alcoholic beverages are sold. If this regulation is found to be violated by any guest, the host of the event will be charged \$500 in damages to the Family and MWR Food and Beverage program. Payment is immediate. Bar services will be immediately closed and the event will cease all functional activity. No event refunds will be authorized.
