FORT LEONARD WOOD DIECAST SHOOTOUT

Class 2- Street Modified

Official Rules

These cars must be production cars that you would see on the street or at the track. For the most part, cars should keep their original body shape and original base (exceptions noted below).

Hot Wheels or Matchbox Brand only.

Cars must be 57 grams or under.

Cars may be modified for speed, looks, or both.

Must be actual production cars. *Judges discretion on qualification*

Must have 4 wheels that all touch the ground.

Wheel modification and swaps allowed but must remain a hot wheels or matchbox wheel.

Axel modification allowed.

Original glass and interior must remain.

No body modifications *Exceptions would be cosmetic modifications such as paint job, adding replica blowers, spoilers, adding or removing racks on trucks, wheel swaps, etc.*Judges discretion on qualification*

Any paint or graphics must be family friendly.

Original base. *Stock rivets can be altered or replaced*

Weight additions must be on the inside unless it is a truck (real trucks often carry things in the back) or incorporated into an actual object you might see on a car.

Length: must be 3.75 inches or less.

Height: must be 2 inches or less.

Width: must fit on Hot Wheels orange track.

Dry lubes or graphite only.

FORT LEONARD WOOD DIECAST SHOOTOUT
