SAFETY

February Safety Tips

From Latin Februārius mēnsis month of Safety, from februa Roman festival of Safety and Risk Management ... who knew!

From the Latin word februa, "to BE SAFE." The Roman Februalia was a month of Safety purification and atonement for Safety perpetrators ... and a hint of holy water!

GODDESS/GOD of February ... SOSPES; GODDESS/GOD of safety, safe, unharmed, intact, unhurt ... Army Safe ... Army Strong!

Safety in Numbers - This phrase comes from the Latin proverb, Defendit numerus, presumably alluding to a military situation ... Come on Now!

Golden Rule for safety stated as "work as safely with others as you would have them work with you." Own it!

Cupid is shooting his bow to inspire Safety values, while in mythology his arrows could invoke either intense, passionate love/desire for a safe environment, work or home!
