CHILD & YOUTH SERVICES

Child & Youth Services (CYS) recognizes the challenges of our Soldiers and their Families. By offering quality programs for children, youth and students, CYC supports the Army Family by reducing the conflict between mission readiness and parental responsibility. Whenever you need it and wherever you are, CYC is prepared to make life better for Army Families.

School Age Center: SAC provides a quality, accredited program that is tailored to meet the needs of youth in grades K-5 and their families by offering before-school, after-school or before and after school care.

Middle School Teen Program: Offers after-school activities for youth 6th grade-12th grade. Open Monday through Friday until 1800.

Child Development Center: Providing quality full-time and childcare for children 6 weeks through 5 years of age. Monday through Friday 0530-1730.

Youth Sports: Fall sports season is around the corner! Track, soccer, baseball, cheer, and bowling starts on 4 September. Spring registration will begin in mid-October.

School Support Services: Provides Army school-aged youth with educational opportunities, resources, and information necessary to achieve academic success.

Family Child Care: Provides in-home care by certified caregivers occupying government quarters as a childcare option for parents seeking a small group setting.

Parent Central Services: A one stop shop for all things children related. In our office, you can register your children for all the programs above, get your teen registered for a babysitter's course, pick up a list of our certified babysitters, or the list of off post childcare options.
