GLWACH

Community Interest:

All hospital services are listed on our website: <https://leonard-wood.tricare.mil/>

The Secretary of Defense has signed a memo stating that he will seek the President's approval to make the vaccines mandatory no later than mid-September, or immediately upon the U.S. Food and Drug Administration (FDA) licensure, whichever comes first.

GLWACH's effort will then shift to allow for maximum vaccinations to our service members. There will be decreased appointment availability for routine and follow-up care. However, acute issues can still be seen in the AMIC and emergencies in the ED. Patients should anticipate decreased specialty care and procedures such as routine breathing tests or EKGs. Multiple service lines will be affected but we are posturing now to ensure a smooth transition once the order is given.

Vaccination Opportunities:

- The next **Nutter Field House Mass Vaccination Events** will be held September 7-11, 2021 from 8 a.m. to 2 p.m. Please check our FaceBook for updates: <https://m.facebook.com/GLWACH/>. Appointments must be made through <https://informatics-stage.health.mil/GLWACHCOVIDApp>
- **PX COVID Vaccination Clinic** hours: M-F 0900-1200 and 1300-1530. Walk-in services.
- **GLWACH Immunization Clinic** COVID Vaccination Hours: Mon-Thurs 7 a.m. to 4:30 p.m. Appointment based (866-299-4234) with limited walk-in service available.
 - **We are now offering booster vaccines to all Immuno-compromised beneficiaries at the Immunization clinic.**
- Eligibility: Service Members, Tricare beneficiaries ages 12yo and older, and current DoD Civilians/Contractors.
