Reassignments Briefings and PCS Order Information

- Reassignment Briefings are held bi-weekly. Rosters are forwarded to S-1s and BDE/BN CSM for notification and awareness.
- PCS Orders are produced within 10 days of receipt of required documentation. Soldiers are encouraged to complete and return documents as quickly as possible.
- EFMP/Family Travel Request processing is averaging 45-60 days to receive a response from the gaining command. Recommend that Soldiers complete this process as soon as practicable and eligible. *Orders will be produced pending family travel and amended when travel decision is rendered.* This action is taken to assist Soldiers scheduling HHG appointments and Passports.
