DFMWR / CHILD & YOUTH SERVICES

This Department of Defense (DoD) program makes it easier to find the child and youth care options through a single website.

Now military and DoD civilian families can search for child and youth care options through a single website.

Using MilitaryChildCare.com, you can find comprehensive information on child care programs worldwide, conduct a customized search for the care you need, and submit a request for care at any time and from any location.

To get started, visit: MilitaryChildCare.com
For questions/support, call: 855.696.2934

INTRODUCING
MilitaryChildCare.com

MILITARY CHILD CARE dot **COM**

By improving and simplifying the child care search process, MilitaryChildCare.com helps you to make better informed decisions about your child care needs.

We care for your children
while you protect America

How does it work?

Just follow the four simple steps outlined inside. *It's literally that easy.*

STEP 1 **CREATE ACCOUNT**

STEP 2 **SEARCH and REQUEST CARE**

STEP 3 **MANAGE MY REQUESTS**

STEP 4 **UPDATE MY PROFILE**

Go to MilitaryChildCare.com to create an account containing information about your family, or to login using an existing username and password.

This simple step establishes your user ID for the child care system, allowing you to take advantage of its many benefits for your family.

Search the system for the child care options that best fit your needs and submit your requests for care.

MilitaryChildCare.com gives you access to a powerful search engine to locate facility-based or in-home child care options. Enter the search criteria that pertain to your family's needs, and refine your search at any time. Select one or more options and then submit your requests for care. The program will contact you when space becomes available.

You can manage your requests for care from anywhere in the world.

You can always log onto MilitaryChildCare.com to review the status of your requests, change information related to your requests, and cancel requests that are no longer needed.

Keep your *My Profile* page up-to-date with important information.

My Profile stores information entered during the create account process, including sponsor name, contact information, and child name and date of birth. Log onto MilitaryChildCare.com to update your profile at any time. It is important to keep your email and phone number current, so when an offer is made programs can reach you.

It's that easy!

← How to submit request for care:

- Full Day Care at CDC
- Full Day Care at FCC
- Before/After School at SAC
- Summer Camps at SAC

****confirm care still needed every 90 days to remain on waitlist****
