**Military Connected Information**

In lieu of taxes on Fort Leonard Wood, the Waynesville R-VI School District receives Impact Aid, which benefits students by replacing the taxes that are not paid on Fort Leonard Wood.

Impact Aid Funding helps local school districts that educate federally connected children, including the children of members of the uniformed services and children with civilian parents who work on Federal Property. School districts use Impact Aid for a wide variety of expenses, including the salaries of teachers and paraprofessionals; purchasing textbooks, computers and other equipment; after-school programs and remedial tutoring; advanced placement classes and special enrichment programs. If you would like to learn more about Impact Aid, please visit their website at <https://oesse.ed.gov/offices/office-of-formula-grants/impact-aid-program/>.
